

Central New York Orienteering

31st Annual Scout-O

Highland Forest County Park, Fabius

November 9-10, 2024

For the 31st year in a row, the Central New York Orienteering Club is offering an opportunity for Scouts and other youth groups to learn and practice the art of using a map and compass. Our popular two week format centers around the main event on November 9-10 with guided hikes on the 9th and a patrol competition on the 10th. For those wanting more flexibility, guided hikes will be available for beginners by appointment, and self-serve map hikes will be available for experienced groups, all during the two weeks of November 2-16.

Guided hikes: CNYO offers private instruction for youth groups and their leaders on two basic courses. These assisted hikes will be available by appointment from 8:30 AM to 1:30 PM on November 9th or by appointment on other dates starting November 2nd. Meeting times and locations are prearranged, so choose a time slot when you register. CNYO members will teach:

- map orienting
- terrain features
- basic compass use
- map symbols
- route choice
- catching and safety features

Self-serve hikes: We offer two additional courses for groups to hike on their own starting November 2nd. Groups may start between 8:30 AM and 1:30 PM and must be off the trail by 4 PM. Scout leaders must handle their own timing and monitoring. You must notify us of your plan.

Cost: \$5.00 per scout. Event patches are available for the first 250 registrants. Maps are free if you print your own from our website after registering, or \$2.00 for two maps if you ask us to print them for you with 10-day advanced notice. Four different maps are available (2 beginner, 2 intermediate).

Camping: We will be offering overnight primitive tent camping on the 8th and 9th (\$20 camping fee per troop).

Register: You must register as a troop. Parents and leaders need not register unless they want a patch, but all participants must complete a waiver. Registration information is available at <https://cnyorienteering.net/scout-o/>.

Directions: Take I-81 to Exit 14 (Tully, NY). Follow Rt. 80 east for 10 miles, passing through Fabius, to the park entrance on the right. Follow the orange-and-white orienteering signs to the meet headquarters. The 2024 event is based at the pavilion below Pines Camp.

Volunteer: Opportunities are available for older, experienced scouts to lead map hikes.
